II. ALLEGATIONS OF FACT

11. Respondent violated the May 2018 Amended Final Order (hereinafter "Final Order") by failing to pay the \$50,000.00 cost assessment.
12. The Final Order required the Respondent to follow all recommendations from the Vanderbilt Comprehensive Assessment Program (hereinafter "VCAP"). The VCAP recommended that, during her probationary period, the Respondent engage in monthly individual psychotherapy supervision with a therapist approved by the Tennessee Medical Foundation (hereinafter "TMF"). Respondent violated the Final Order and the November 2018 Order of Compliance (hereinafter "Order of Compliance") by failing to engage in monthly individual psychotherapy supervision with a therapist approved by the TMF.
13. The Order of Compliance required the Respondent to cause the TMF to issue quarterly reports regarding the Respondent's psychotherapy supervision progress. The Respondent failed to cause the TMF to issue quarterly reports regarding her psychotherapy supervision progress.

III. CAUSES OF ACTION

The facts as alleged in Section II of this Notice of Charges and Memorandum for Assessment of Civil Penalties are sufficient to establish violations by Respondent of the following statutes or rules which are part of the provisions of the Tennessee Medical Practice Act, (TENN. CODE ANN. § 63-6-101, *et seq.*) for which disciplinary action before and by the Board of Medical Examiners is authorized:

14. The facts alleged in paragraphs eleven (11) through thirteen (13), *supra*, constitute a violation of TENN. CODE ANN. § 63-6-214(b)(1):

IV. CIVIL PENALTIES

16. The Tennessee Medical Practice Act provides guidance for use by the Board in assessing civil penalties pursuant to that legislation. TENN. CODE ANN. § 63-1-134 reads in pertinent part:

- (a) With respect to any person required to be licensed, permitted or authorized by any board, commission or agent attached to the division of health related boards, each respective board, commission or agency may assess a civil penalty against such person in an amount not to exceed one thousand dollars (\$1,000.00) for each separate violation of a statute, rule or order pertaining

to such board commission or agency. Each day of continued violation constitutes a separate violation.

- (b) Each board, commission or agency shall by rule establish a schedule designating the minimum and maximum civil penalties that may be assessed under this section. In assessing civil penalties, the following factors may be considered:

- (1) Whether the amount imposed will be a substantial economic deterrent to the violator;
- (2) The circumstances leading to the violation;
- (3) The severity of the violation and risk of harm to the public;
- (4) The economic benefits gained by the violator as a result of noncompliance; and
- (5) The interest of the public.

17. Civil penalties may be initiated and assessed by the Board during consideration of any Notice of Charges. In addition, the Board may, upon good cause shown, assess a type and amount of civil penalty which was not recommended by the Division. TENN. COMP. R. & REGS. 0880-02-.12(4)(d)(2).

20. Petitions that, at the hearing of this cause, the Board determine that Respondent is guilty of violating the provisions of TENN. CODE ANN. § 63-6-101 *et seq.*; determine whether and what amount of civil penalty is justified; and determine whether Respondent's license to practice as a medical doctor should be suspended, revoked, or otherwise disciplined.
21. Petitions, pursuant to TENN. CODE ANN. § 63-1-144, TENN. CODE ANN. § 63-6-214(k), and TENN. COMP. R. & REGS. 0880-02-.12(j), that at the hearing of this cause, the Board assess and collect the reasonable costs incurred in the prosecution of this case, including investigatory costs, upon finding that the licensee has violated the referenced provisions of the Tennessee Medical Practice Act.
